Presidents Message

Hello Everyone!

The show season is well underway! Included in this newsletter will be the year end award results from the Feb. show in Ardmore. I will try to send out another newsletter with the year end results including the March Glen Rose show in a couple weeks.

A lot of things are in the works for our 2008 Futurity and Show. The added money keeps increasing!!! Check the website for press releases in regards to the added money. More exciting news to be revealed as soon as we have approval! More golf carts to be given away-A total of 5 Stallion Stakes carts and 2 for the futurity! Stay tuned for complete details in the next newsletter.

****News Flash**** Clinic to benefit NRHyA!! The clinic is April 26th-27th at Tom and Mandy McCutcheon's new place in Aubrey. Tom and Dell will be giving the clinic and lunch will be included both days. For more information contact Heather Cline at the NRHA. The clinic is open to both youth and adults. \$250 per day for adults and \$150 per day for youth.

Show Update

Our first approved show this year was a huge success thanks to Mark Miller. Mark put on a great event that drew in many new members and lots of fun competition. The SWRHA had several members that brought top honors in all of the classes. There were many great rides in the Non Pro classes and ended up with Jana Simons with Gunner Hold Your Fire and Lauren Hall and Holymasterwhiz taking the Co Championship in the Limited and Intermediate Non Pro and Reserve in the Non Pro. Jordan Donnelly was a force to reckon with, winning not only the Non Pro class but also the 13 and Under with the great Hollywood All Star. Jordan also shared the Reserve Championship in the 13 and Under with Wynn Fulghum and Lil Bueno Boy. Christy Mc Elreath dominated the 14-18, taking both first and second with her horses Tejons Impy and KR Tee Totally Cool. Laurie Hartman put together a nice ride with Dixies First Diamond to win the Championship in the Novice Horse Non Pro followed closely by Cynthia Booker and Taris Wildcat with their Reserve Championship. Riding her beautiful stallion Im Genuinely Smart,

Kimberly Tillman took first place in the large Rookie class. In the strong Open class Dean Latimer marked a 73 with Michael Monfore's Muskjacwhiz to earn the Reserve Championship.

The SWRHA Championship party was held Saturday evening at the show grounds with great food catered by Two Frog's Grill. Awards of monogrammed belt buckles, stirrups, and bits were handed out to Champion and Reserve Champion winners for each division. Make sure your membership is up to date and you participate in your division in at least 51% of the SWRHA approved shows to qualify for the 2008 Year End Awards. Good luck to everyone at the upcoming shows!

Update From Hardy Murphy Coliseum

Hardy Murphy Coliseum has recently completed some major construction and renovation that will certainly be of great value and convenience to our event producers, both old and new.

First on the list is the construction of 42 RV sites. These new camping sites are well graveled and offer 20x55 foot lots for each trailer or bus. Each site has water hook-ups, of course, and offer both 30amp/110 volt as well as 50amp 220 volt electric service. Additionally, an on grounds sewage dump station is available to our customers.

Second on this winter's accomplishments is the renovation of our 150'x 300' covered arena. Wind screens have been installed, a seven hundred person grandstand is under construction, and the "Big --- Fan Co. is getting ready to install 6 of their innovative fans!

The major achievement on the list is the new 200 stall barn. Complete with wash racks and men's and women's restrooms this barn boosts our total stalls to nearly 550. This is going to allow some of our aggressive shows, such as the SWRHA futurity, the capability of growing as well as being able to host new shows with larger stall requirements.

The completed projects aren't the end of this year's construction. We will be soliciting bids in the next few months for the construction of a 125'x250' covered arena. We anticipate completion of the new arena by early fall 2008. 2009 will see even more renovation.

Hardy Murphy Coliseum is dedicated to providing the most convenient and comfortable atmosphere in the horse show world. Whether it requires construction or service, everyone on our staff is dedicated to that ideal.
